GYM-MY THRILL!

Dear *Mayfair*,
I started going to the gym when I was a weedy teenager and have been thoroughly addicted ever since! Not only do I look and feel a hell of a lot better when I've been working out, but it gives me a buzz and the amount of hot single babes swanning around is a huge bonus! I mostly work out on free weights three or four times a week, and generally get a few double takes. Although nobody says anything, there's generally an air of sexual tension in the place – beautiful, sweating bodies and girls dressed in sports kit that doesn't leave much to the imagination.

The other week, I spotted Karlie, a cute blue-eyed blonde, checking me out as she used the treadmill and we got talking. During the conversation it turned out that she lived quite close to me, so I offered her a lift home and, one hour later, we were back at her place, screwing like rabbits. She was so fucking gorgeous, fresh out of the showers at the gym, and when she stripped off, she had this perfect, petite figure. It was when I complimented her that she told me she used to do gymnastics.

Now, I'd never been with a gymnast before. You know how you see all these weird, complicated positions in porn films? Turns out they're not all that impossible with the right girl. Karlie stood in front of me, and then hooked her leg up around my waist, guiding my cock into her pussy. It was a bit of a knee trembler for me, what with her being so little, and she was up on tiptoe like a ballet dancer, but I grabbed her round the waist and hammered in and out. It felt great but I didn't want to hurt her, so after a while I lifted her off me and told her to turn around.

She had the most perfect arse – toned but just fleshy enough, the type that's made to wear a thong or G-string. Now it was stuck up in the air as she bent over to tease me, her body pretty much folded in half, as she was so supple. She giggled as she twerked a little, enticing me more, and I dived in.

I played with her slit a little, running my fingers up and down from her clit to her arsehole, making her squirm and moan, and as her juices began to run down her thighs I scooped some up and sucked it from my digits. She tasted musky and sweet, all at the same time, and it made me surge with lust.

I started banging into her from behind, my prick ploughing deep into her snatch. My bollocks were tingling, tightening up, and I realised Karlie was reaching back a hand between her legs to fondle them. As well as the feel of it, just the thought of what she was doing sent the blood rushing down my shaft and into my throbbing helmet.

She seemed to like me taking charge, moving her around and posing her body however I fancied, and that day I got to live out all my porn-position fantasies. I had her squatting over my prick, facing me, so she could impale herself on my tool at her own pace, which was absolutely divine! She told me to close my eyes so I didn't know when she would swallow my prick in her sopping snatch and the feeling was just indescribable. It was

I PLAYED WITH HER SLIT A LITTLE, RUNNING MY FINGERS UP AND DOWN...

A CLASS APART!

Dear *Mayfair*,
What a fantastic treat to witness the welcome return of Zoi (to use her new name) to the pages of my beloved *Mayfair*! I was blown away by her stunning, sultry looks when she made her first appearance in your mag three or four years ago, and always wondered why she hadn't featured more frequently since then. Could it be that she doesn't conform to the stereotypical big-boobed shape so beloved of most British males? Either way, I was delighted to see her back and looking, dare I say it, even classier than ever before! As far as I'm concerned it's the appearance of girls like Zoi that really marks *Mayfair* out as being head and shoulders above all the other magazines on the top shelf, so please lets see more of her and her ilk in the magazine before long!

Tony, Barnstable.

You should know we don't stick to stereotypes here, Tony – each to his own, that's what we say! – The Ed.

so good, in fact, that if she had continued she would've made me come, but she sensed it and spun round so I could grope her luscious arse, as she used her feet against my legs to bounce herself up and down.

I've never had a girl get into oral like she did, either. Just when I thought she'd ride me to a climax, she hauled herself up off my cock, the juices dripping out of her gaping hole, before shuffling back so that her snatch was right in my face. Then she started lapping the juices ultra-slowly off my cock and balls. I didn't even lick her at first – I laid back, shut my eyes and focused on the feel of her tongue all over my tackle. Initially she didn't use her hands, didn't want to rub off any juices she could suck down. But, as I finally started to tongue her twat, she fingered herself, smeared more juices on my prick, and then started to wank me.

She had a big handful of my dick as I pumped in and out of her fanny-hole with my tongue, and she was grinding against my mouth, moaning aloud as I got her closer to an orgasm. I didn't reckon I could last much longer, and she could tell too, tasting my pre-come and feeling my prick jump in her mouth.

"Get on your back," I told her, urgently. She obliged quickly, and looked so tiny, fit and taut lying there, I felt like I was towering over her, cock in hand, and as she cupped my balls, squeezing and teasing. As I felt them bunch up, I aimed my knob at her pretty face, thinking how it all somehow seemed unreal as my thick, white cream exploded out all over it.

Some girls don't like taking it in the face – this little tart loved it, rubbing it into her skin and scooping it into her mouth. I won't forget the expression of filthy pleasure as Karlie swallowed. I dripped more jizz on her tits and belly, making her squirm with delight once again.

I've been screwing her ever since and while it's tempting just to stay at home and bang each other's brains out, we've kept up going to the gym, to keep ourselves as fit and fuckable as possible. And I have to say that shagging in the shower back at Karlie's is the perfect reward for doing a good workout!

Elliott, Wisbech.

GIGI WHIZZ!

Dear *Mayfair*,

It's always a special thrill when you feature a newcomer, but when they're as sensual Gigi, it really is a red letter day! She looks absolutely magnificent in those super-high heels and that lacy red lingerie, which perfectly matches her stunning lipstick and serves to effortlessly draw the eye to her fulsome boobs and shapely rear (although to be honest, my eye would probably have been drawn to them in any case!). I love the final picture of her, where she's brazenly pushing her perfectly shaven pussy towards the camera, almost daring us not to go crazy with desire. I know I certainly did, and I'll bet a good many of your other readers felt exactly the same way!

Jules, Lincoln.

Not to mention the staff, Jules! – The Ed.

OPEN (TO) MIKE NIGHT

Dear *Mayfair*,

My wife and I have been together since we were 16, and we've only ever slept with each other. We are both turning 30 this year, and as it's a bit of a landmark birthday, we decided to spend the year trying to fulfil as many fantasies as we could. We've tried dressing up, role-play, sex outdoors and lots of other things we've each fantasised about. Obviously, as we've only ever fucked each other before, at the top of both of our lists was that we wanted to try sex with another person.

We were both pretty sure that our relationship, after all this time, is strong enough to take it, but this was a bit of a risqué fantasy, and something we decided was best done together. I was happy for Fran for fuck another guy, but only if I'm there to see it. In actual fact, watching her being fucked by another man was one of the top things on my list! I've always found the idea of watching my hot, sexy wife sucking another guy's dick, then letting him fuck her really hard, such a turn-on – probably because I know she's never done it before.

We discussed the best way of making this particular fantasy into a reality, and our first thought was that we could go to a swingers' club. I did a bit of research, however, and it seemed a bit full-on for us. I also didn't like the thought of her shagging any of my friends, and definitely not the guy from Fran's work, who she was sure would be up for it. Instead, we went back to the swingers idea, and posted an advert onto a website, looking for a guy who'd be up for a threesome. I put a picture of Fran with the ad, and within a few days we had loads to choose from. I let Fran pick the guy – well, she was going to fuck him, after all – and we arranged for him to come round the following week.

"SHE HAD A BIG HANDFUL OF MY DICK AS I PUMPED IN AND OUT OF HER FANNY..."

When Mike turned up, we were both pretty pleased. Fran obviously fancied him from the moment he walked into the house. She had that look in her eye, and I was sure her panties would be soaking wet just imagining taking his dick in her tight pussy. And from my point of view, he seemed like a really decent bloke. We spent ages talking about football and stuff, knocking back a few beers to get into the mood.

After we'd had a few drinks, we went

Busty babe Brooke might hail originally from London, but these days she's living in Bristol – a city which, quite frankly, couldn't be more appropriate, given her stupendous boobage! So was she drawn there because of its associations, we wondered?

"Of course not! Just because I've got nice boobs you think that's the reason why I'd want to live in Bristol?! No, I was going out with a guy who came from Bristol a few years back and, well, I just kind of fell for the place. It's one of the few cities in the country that's got a really unique vibe going on, and I felt like I was accepted there straight away. It's hard to put your finger on it, but you'll know it when you feel it!"

Hmm, OK, we'll believe you – although we wouldn't wonder if you weren't accepted anywhere you chose to move to! You'd certainly be made to feel very welcome if you ever decided to move next door to me!

"That's nice, but for the time being I'm a Bristol girl through and through!"

You certainly are!

Actors Who Are (Allegedly) Utter Pillocks Off-screen

Some people can take fame and fortune in their stride. With others it goes to their heads.

A recent flurry of stories online have pointed the finger at several very rich and famous persons who are alleged to be off-screen bum-holes. Alec Baldwin is well-known for his foul temper, even losing his rag when fans ask for an autograph.

Russell Crowe is reputed to be an aggressive twit off-screen and on one occasion even picked a fight with George Clooney. Actress Meghan Trainor recently shared a story of running into Russell Crowe before she became famous: she says he told her to fuck off.

Charlie Sheen was the highest paid actor on television during his stint on the bloody awful *Two and a Half Men* but his insane rants apart, he is notorious for hitting women, snuffing coke and downing booze. This said, I met him one night in a cookie store on Santa Monica Boulevard and I am 6' 2" and a bloke so he gave me no trouble.

While shopping on Sunset Boulevard singer Christina Aguilera is said to have had an entire store cleared and put on lockdown so she could shop in peace without plebs getting in her way.

Christian Bale was taped going completely mental and spitting venom at a photography director on the set of *Terminator: Salvation*.

Supermodel Naomi Campbell – well, where do I start? – is a diva off-camera too and is reported to have flung a telephone at her maid.

Meanwhile Mike Myers – seemingly personable creator and star of *Wayne's World* and the *Austin Powers* movies – is allegedly given to off-screen tantrums. Hey, we're just reporting allegations here, alright…?

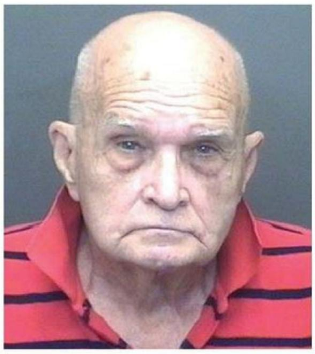
Cops Pinch Crumbly Who Splashed Vandal's Face With Piddle



An 84-year-old man in Evansville, Indiana, is facing battery charges after the pissed-off octogenarian dumped a bowl filled with urine over the head of a teenage boy.

Ancient Charles Weatherford was arrested after he reportedly got into an argument with a 13-year-old thug "over some smashed bricks" on his property.

The teenager told police that the argument boiled over when Weatherford poured piss on him from the second floor of his home, and, wondering what the old git was doing now, he looked up just as the golden shower descended on him.

The suspect has confessed to Evansville police that he keeps a bowl of urine "on hand for self-defence".

Police responded to a 911 call from Weatherford about the vandalism and filled out a criminal damage report at his home. A police report noted a "strong odour of urine" but were unable to determine the source. Then the boy's mother phoned officers to report that her poor son had been "assaulted with bodily waste".

Weatherford admitted becoming angry when the 13-year-old called him names and the cops are still insisting that it is unknown whether the piddle in the bowl belonged to a human or an animal, but I think everyone involved knows full well that it's his.

He has been charged with battery by communicable bodily fluid/waste – a felony, naturally enough – and battery on a victim under the age of 14.

This resourceful old codger is currently at large on $750 bail. We wonder what other ways he can find to piss away his money.

COMINGSOON

Coming to a multiplex somewhere near you, some time soon…

Coming up, whether or not anyone is interested – is yet another slew of films, most of which highlight Hollywood's increasingly staggering and blatant inspirational bankruptcy and lack of quality control.

POINT BREAK is a remake of 1991 thriller, er, Point Break starring the late great Patrick Swayze and Keanu Reeves, "inspired by", says Warner Bros., the 1991 thriller *Point Break* (etc).

Our story again concerns a young FBI agent named Johnny Utah (Luke Bracey) tasked with infiltrating a cunning team of thrill-seeking elite athletes led by a charismatic bloke played by Edgar Ramirez. The athletes are suspected of carrying out a spate of crimes in extremely unusual ways. Deep undercover, his life in danger, the new Keanu character strives to prove the aforementioned athletes are behind this string of inconceivable crimes.

POINT BREAK

In Tarantino's latest bounty hunters western THE HATEFUL EIGHT starring half of the actors from the last bounty hunters film he made (*Django*), bounty hunters seek shelter from a raging blizzard and get caught up in a heapin' helpin' of betrayal and deception.

Set several years after the Civil War, a stagecoach hurtles through the wintry Wyoming landscape carrying bounty hunter John Ruth (Kurt Russell) and his fugitive Daisy Domergue (Jennifer Jason Leigh), race towards the town of Red Rock where Ruth, known in these parts as "The Hangman," will bring Domergue to justice.

Along the road, they encounter two strangers: Major Marquis Warren (the inevitable Samuel L Jackson), a former union soldier turned bounty hunter, and Chris Mannix (Walton Goggins, from TV's *Justified* and *Django*), a southern renegade who claims to be the town's new sheriff.

Losing their way in the blizzard, Ruth, Domergue, Warren and Mannix seek refuge at a stagecoach stopover on a mountain pass. There, they are greeted by four unfamiliar faces, including those of Michael Madsen, Bruce Dern and our very own Tim Roth. As the storm overtakes the mountainside stopover, our eight travellers come to the realisation they may not make it to Red Rock after all, dot dot dot (ahem, ...)

Shower Curtain

Why not – apart from the obvious reasons – “bring your Facebook profile to life in the bathroom” with the 70” by 70” Facebook Shower Curtain? “Perfect for the social networker in your life”, the curtain has a huge transparent section on which you can create a water resistant profile. Sorry, but while it might be admirably hygienic, that’s just sad.

After the 2011 Tohoku disaster, a company named Storia developed the Grappa – an “Eco Shopping Bag and Safety Helmet Emergency Earthquake Hood – which can be folded down so it’s no bigger than an umbrella, “meaning” [that if you’re a big jessie and carry a handbag] “you can pop it into your handbag when you go out shopping”. That’s right folks: if you should be caught short by an earthquake whilst out at the shops, just open it up and pop it on your noggin to provide protection from falling objects such as entire sections of tall buildings. You’re sure to be as safe as houses (that fall to pieces in the face of anything over 5 on the Richter scale...)

Lock and load! At last here’s something we can actually have a bit of fun with. Presenting The Ketchup Gun. “Comfort foods have been given their own specialist kitchen equipment,” say the manufacturers. “For a sure-fire way of getting some ketchup or mustard, simply load the nifty Ketchup Gun with the reusable sauce cartridges and fire away!”

Unless of course, you’re like me and consider tomato sauce and mustard utterly inedible, which makes the gun even more utile, since you can use it to squirt something disgusting at your enemies.

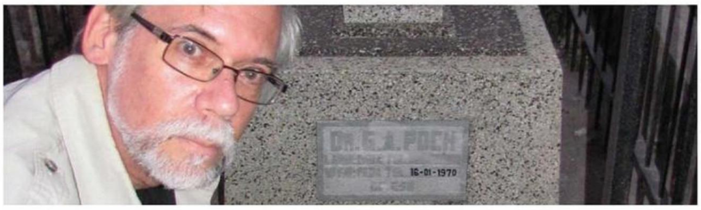
PETER LEVENDA and RATLINES

Peter Levenda

American historian, researcher, and highly respected non-fiction author Peter Levenda grew up in New York, graduating from the same Bronx high school as serial killer David ‘Son of Sam’ Berkowitz. He has held a variety of jobs, mostly in international trade, particularly China, while simultaneously doing the research and writing the books for which he is now renowned.

He is best known for his study of Nazis – especially their occult beliefs and where and how a huge number of the very worst of them escaped after World War II. One of his books, *Unholy Alliance: A History of Nazi Involvement with the Occult* – features a foreword by Norman Mailer. In order to collect information for this book, Levenda undertook a dangerous trip to Chile to investigate the notorious Nazi sanctuary Colonia Dignidad, where he was briefly “detained” (and very nearly executed, we might add).



DR. G. A. POCH
16-01-1970

Since then he has written the meticulously researched *Ratline: Soviet Spies, Nazi Priests and the Disappearance of Adolf Hitler*, a book that continues the study of post-war Nazi escape routes.

His boots-on-the-ground researches on the trail of the underground escape routes used by Nazi war criminals fleeing justice eventually led him to a remote cemetery in Surabaya, Indonesia, where he believes (based on a mountain of extremely compelling evidence) that Adolf Hitler was buried upon his death in January 1970 under the name Dr Georg Anton Poch after a few years on an estate in Argentina and enjoying a quiet old age on a remote Indonesian island where he posed as the administrator of a small hospital.

Levenda readily admits that he had heard the story of Hitler and Eva Braun dying in the bunker in Berlin on 30th April 1945 so many times that it was a shock to discover that it was just that – a story – cooked up by the British to tie up WW2 in a bow after Stalin accused the Americans and the British of having helped Hitler escape.

Yes, it all sounds rather far-fetched, we’ll admit, but he doesn’t half argue a convincing case. Sadly, he has yet to turn his attention to whether or not Elvis is, a) still alive and b) working in my local chippie.

We know we've got an embarrassment of riches when it comes to the bevy of British beauties on our books to feature in the magazine each month, but have we really got so many that it's been getting on for a year since we last hooked up with Charley Atwell in all her curvy loveliness? Surely not! Perhaps, once he's got round to publishing the long-anticipated results his other enquiry, Sir John Chilcott might like to look into what we've been playing at. Who knows, he might even give us an answer by the time we're into out 100th volume…

Ahem anyway, whatever the cause of this shocking oversight, Charley's back with us this month, and let's face it, if something (or someone) is worth having, then it's worth waiting for as well!

"Ah, well I'm definitely worth having!" Charley laughs at this. "At least I certainly haven't had any complaints so far!"

We can well believe it!

21st CENTURY TOYS

Filling your head with item-information as though he was slipping something in your drink, JAMES SAINT is here to fact your brains out…

This is information that might well be of absolutely no consequence to you, but we in the tech writing thing trade tend to get press releases about gadgets and Christmas starting in July. Obviously it's all utterly fucking depressing and a lot of sweary deleting of emails goes on, but now, as we find ourselves drifting gently towards October and true autumn, now is the time to think about the tat that you'll be forced to spunk your hard-earned on for other people and perhaps even start stocking up on.

With that kind of, almost, at the back of my mind, this issue you will find scattered across these two pages – stupidly expensive phone aside – a bevy of beauteous bollocks that mostly fall within acceptable gift-price parameters, giving you early ideas to spread the cost of Christmas out over the coming months and save you from a last minute trip on Christmas Eve to the 24-hour garage and ending up with presents more inadequate than a eunuch in a MFF threesome. Don't say we never do anything for you.

Or, fuck the idea of Christmas – it's barely autumn yet – and just view these pages as your own personal tech-porn pick up list and get selfish-shopping right now. Because, remember, no matter what any religion, self-help book/group or dentist waiting room magazine will try and tell you, you are what you own…

Ministry Of Sound Audio S Plus £130

Editor's PICK

> You can be pretty much assured that the sound quality will be aural sex…

Yet another product from the least-known Government department, the Audio S Plus aims to be the perfect balance of portability and performance and, as such, features a sleek design that's reminiscent of an elephant's tampon, and comes with NFC-compatibility, a speakerphone function, is splash-proof, delivers 15 hours playback, offers a True Stereo mode (using two units and pairing them in stereo) and comes with a metal stand for vertical mounting.

On the actual sound-side, the development of the speaker's audio was overseen by Ivor Novello Award-winning songwriter, producer and DJ Phil Faversham, so you can pretty much be assured the quality will be aural sex without me having to bang on any more about it.

And it's not all just smartphone sound either, the Audio S Plus can also be used in conjunction with the Ministry Audio app (iOS and Android), which offers easy switching between Spotify streaming, internet radio options, Ministry's unique radio service or streaming from your local DLNA server, and that's more than enough audio for even the most gluttonous music pig. Or elephant.

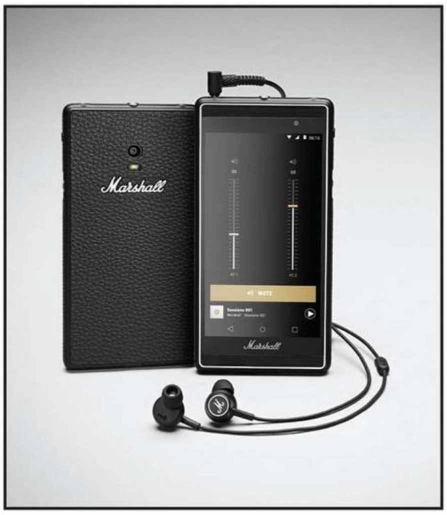
Marshall London £400



Finally, fans of quite possibly the most famous names in rock tech can own an, erm, phone with that self-same name on it! Yep, the makers of the universally recognised ultimate guitar amp ever since Hendrix first cranked his up to 11 and dry-humped it in the 60s have now turned their collective hand to manufacturing a smartphone that, whilst capable of all the usual smartphone touchscreen tricks, has also been leant a serious ear as to its audio.

Running on Android 5.0.2 Lollipop, featuring an 8-megapixel front camera and 2-megapixel at the back, the Marshall comes with 16GB of mass storage (Micro SD slot), a 1.2GHz Quad-Core processor and a 4.7-inch multi-touch Gorilla Glass display, but it's the sound system that sets it apart.

Two front-facing stereo speakers come married to a separate music processor, which allows for higher resolution music, an equaliser with pre-sets and auto adjustment and a dedicated 'M' button that takes you directly to your tunes. An iPod-like scroll wheel lets you browse and select sounds with ease, whilst twin headphone sockets mean you can share your awesome audio with a mate without earning you, firstly, the violent contempt of everyone else around you on the train/plane/bus or in the cinema/at a funeral, and, secondly, a savage, phone-fucking shoeing. And let me tell you, One Direction have never sounded so good.

PulsePak Emergency Charger £13

So, you're out and about, feeling quite cock-a-hoop with yourself and your Marshall smartphone and Nano Q4 quadcopter (what, you haven't got to that one yet?) when – painfully prolapsing rectums! – you're bang out of juice on both. What the merry fuck do you do next? Chuck them in a bin and walk away? Top yourself? Stand in the middle of the road screaming into the sky and cursing God? Er, go home? No, obviously, you over dramatic idiot, you reach into that tiny, otherwise use pocket in your jeans and produce – no, not a condom, you mucky git – the PulsePak!

Featuring a retractable micro-USB or Lightning gubbin for Apple-users, this über-portable provider of power can house enough leccy to keep your phone going for an additional two hours, which should be ample to see you safely to a plug socket unless you're stuck somewhere truly unforsaken like the middle of the Sahara or on the stopping service of the Metropolitan Line. Phew – power is once again yours to do with what you will, but just don't fucking do it again, alright?

Propertec Proper Bluetooth Keyboard £25

Smartphones and tablets are all well and good and, frankly, if you don't own at least one of each these days you are officially classified as a '[illegible]-person'. But, the trouble with virtual keyboards and predictive text is that you can, if not paying proper attention or drunk, send texts and emails composed of utter gibberish to people or, worse still, send something unintentionally insulting or, worse case scenario, accidentally confess to an unsolved murder – complete with photo attachments that prove your guilt! Well no more, you fat-fingered bumblecunt! For now you can have this cunning folding full-size QWERTY keyboard with you that, hooking up to your device instantly over Bluetooth, let's you finger away with confidence, safe in the knowledge that any accidents now is down to nothing but your own incompetence and/or deeply embedded sense of guilt and contrition.

Rechargeable via USB (of course!), the Proper gives you around 60 hours of work time from a full charge, comes in black or white, and even features a protective case that doubles as a stand for your device, so when everyone else id sicking around with hefty laptops on the train, you can be smugly typing away to your heart's content with this little bundle – and all for two Paul Mckennas and a Taxi Driver, as is the parlance around these parts.

Nano Q4 Quadcopter £30

Drones have come a long way since they were first talked off blowing up random Afghan villages and pumping rounds into passing goats/innocent civilians. Today, anyone can own a drone and, whilst they're generally not allowed to be weaponised, there popularity is spreading like friendly fire.

Check out this latest offering from online crap-peddler Firebox for example. The worlds tiniest (just 5cm by 5cm!) quad-bladed drone copter so far, the Nano Q4 is capable of 6 axis flight, allowing you to make it perform 360 degree stunts, indoors and outdoors, whilst being dazzled by its red and blue LED light display.

Recharging via USB, a full 40 minute blast of power will deliver a less than whopping five minutes of flight, but then just how much small-scale aerobatic excitement can you take in one sitting?

Coming with a full set of spare rotor blades for when you inevitably crash it into something markedly tougher than grass/someone's face, many happy minutes of flight are guaranteed; before you become bored of recharging it and stick it in a drawer. On the plus side, at least it won't take up too much space in there…

NewerTech NuGreen LED Lamp £32

According to *The Daily Express*, a lack of exposure to light can not only cause suicide-level Seasonal Affective Disorder, it also drives down house prices and (I don't read it every day so I couldn't swear to this) probably had a part to play in the death of Princess Diana. Meanwhile, *The Daily Mail* has a graph and some stats it's made up that prove immigrants are attracted to darkness like bizarre-moths. So, to stop the darkness getting into your office, bedroom or lounge, arm yourself with a super-bright lamp that will not only give you more light for longer thanks to its cluster of 50 LEDs outliving standard bulbs by a whopping 22 times, but which also is eco-friendly due to its low 3.6W consumption.

Stylish and cool to the touch, so safe around kids and animate TV monkey Curious George, the 'gooseneck' design means you can position the lamp exactly how you need it and, further adding to your feel-good, self-righteous green credentials, the whole shebang can be recycled when the day comes to junk it… or you die, whichever is sooner. Probably the latter.

up to the bedroom, and we'd decided that I would sit and watch to start with. It was also Fran's fantasy to get to fuck this guy, after all, and I was fulfilling my own little dream of getting to watch. I sat in a chair in the corner of the room and let them get down to business.

They climbed onto the bed together, and quickly started to strip each other. Fran seemed a little nervous at first – quite understandably, I guess – and was almost bashful as Mike peeled off her bra, releasing those big, firm boobs, with which I've had so much fun over the years. However, when he slid his hand inside her panties and started slowly rubbing his middle finger up and down the crease of her pussy, she quickly relaxed into things and simply lay back, moaning and writhing. He peeled off her knickers and I could see that her pussy was indeed totally soaking. She looked about as turned-on as I had ever seen her, and my dick was as hard as a pole just watching how much she was enjoying herself.

> “HE LICKED ALL THE WAY ROUND HER PUSSY, HIS TONGUE GOING INTO OVERDRIVE…”

Mike moved his way down Fran's body, kissing all over her stomach and thighs until he got to her soaking wet snatch. He licked all the way around her pussy, his tongue going into overdrive as he nuzzled at her clit, then started poking his tongue deep into her hole, like he was fucking her with his mouth. That was enough for Fran, and she was soon begging him for his dick. He duly obliged, sliding his impressively big, rock hard cock deep into her tight twat with one long, slow thrust. She groaned loudly, an almost pained expression flashing across her face, as only her second ever penis slid inside her. Mike pulled out again slowly, before slamming back into her really fast this time. She screamed out with pleasure, clearly loving it. He started to build up a rhythm, pulling out and slamming back into her, getting faster and faster till he was fucking her hard and deep.

Fran looked over at me, beckoning me to come and join in. I've literally never removed my clothes so fast! I dashed over, and whilst Mike continued pounding into my wife, I slid my dick into her waiting mouth. She sucked and licked it, taking the whole thing deep into her throat, swirling her tongue around me in a twisting, circular motion. However, my blow-job was short-lived (although it wouldn't have lasted long anyway!) as, gasping heavily, she removed my cock from her mouth and panted, “I want both you horny bastards to fuck me at the same time!”

This certainly was turning out to be a night for firsts!

We quickly repositioned ourselves on the bed, me on the bottom with Fran straddling me so I could slide my dick into her soaking, hot pussy. Mike then came in from behind and, after lubing her tight, puckered bumhole with her copious juices, he pushed his dick deep into her arse. When she's really turned-on there's nothing Fran liked more than a good arse-fucking, and that's exactly what Mike seemed to have in mind! She positively yelped as he started fucking her bum, and her pussy muscles clenched hard on my dick, she was enjoying it so much.

It was hard to build up a good rhythm at first, but we were soon into the swing of things, both Mike and I sawing into her two holes, pounding and fucking as she cried out with pleasure. Again her pussy muscles clenched down hard, just as Mike started fucking her really fast, and with just a few more thrusts he came, shooting his load straight into her arse. This triggered her climax and she came hard, followed directly by me, as I gave her a second load of hot, sticky cum right up her cunt. We all then collapsed down onto the bed, a sticky, sweating, breathless mass of limbs.

It took us a good 10 minutes to recover, but the night was far from over. I left Mike and Fran to fuck on their own for a while, so I could catch my breath (And give my aching cock a rest), and we spent the next few hours screwing in all manner or positions and combinations. It was the most incredible night. Of course, next month we get to try out my next fantasy, and Fran has agreed to our sharing another woman. Hopefully, it will be just as good! I'll write and let you know how we get on.

Steve, Preston.

OPPOSITES… ATTRACTIVE!

Dear *Mayfair*,

I'm a huge fan of British models – there's just something about them I can't quite put my finger on (unfortunately!) – and you featured a splendid selection of them in your latest issue, with some all-time favourites like Cara and Natalia proving that there really is no such thing as a standard British look, the former being blonde, booby and brassy, while the latter's a hardbodied beauty with a mischievous look in her eye that tells you she's be the perfect bedfellow for anyone who was lucky enough to end an evening in that fortuitous position!

Meanwhile, the statuesque beauty of Zoi and, the near purity of Gina (just allowing us a glimpse of pube as she loses herself in her own pleasure) and the sheer oh-so-horniness of Kiki all add up to a spectacular cross-section of British womanhood! Why, it's no wonder so many migrants want to get over here with girls like this, is it?!

Peter, Ipswich.

TIFFANY

Age: 30 **Vital Stats:** 30FF-25-32 5’1”
Photographer: BB Media

Well this is shaping up to be a bit of a boob-tastic issue! Tiffany here's got such a cracking set of ladybumps on her a fella would be hard-pushed to decide whether he'd rather slide his old chap between her boobs or her exceptionally inviting pussy lips. We couldn't help wondering if the lady herself had any preferences…

"Oh, well I guess it depends what sort of mood I'm in, doesn't it?" she grinned fiendishly. "I mean to say, there's something really delicious about pushing my boobs together, squirting a little bit of lube between them and giving a guy a proper tit-wank, but that's bound to make my pussy feel left out, isn't it? I guess the ideal thing would be if a guy had the stamina to slide his cock between both pairs of lips and my boobs – and maybe even up my bum for a bit before I'm done with him!"

Hmm, that's a fair a bit of stamina required there – we reckon just the one would be ample!

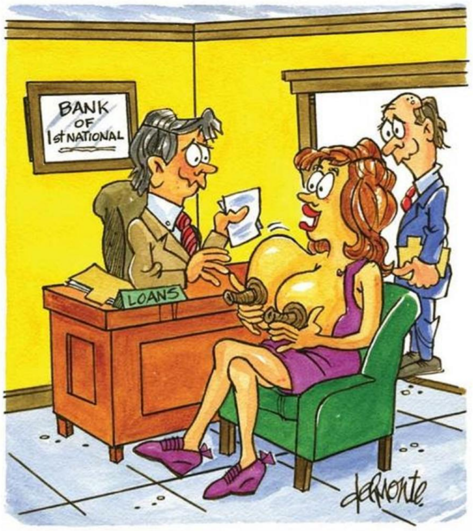
Once upon a time there was a king who decided to go hunting. He called the royal weather forecaster and enquired as to the forecast for the next few hours. The weatherman assured him there was no chance of rain in the coming days.

So the king went hunting with his queen.



"These are my assets. Would you like me to wait here while you decide if I get a loan?"

On the way he met a farmer perched on a donkey. Upon seeing the king the farmer said: "Your Majesty, you should return to the palace at once because in just a short time I expect torrential rain to fall in this area."

The king was polite and considerate and replied: "I hold the palace meteorologist in high regard. He is an extensively educated and experienced professional. Besides, I pay him very high wages. He gave me a very different forecast. I trust him and I will continue on my way."

However, a short time later the rain began pelting down, soaking the king and queen and their entourage chuckled upon seeing them in such a bedraggled condition.

Furious, the king returned to the palace and fired his weatherman. He then summoned the farmer and offered him the prestigious and high-paying role of royal forecaster.

The farmer said: "Your Majesty, I do not know anything about forecasting. I obtain my information from my donkey. If the donkey's ears are drooping, it means with certainty that it will rain very hard."

So the king hired the donkey. And so began the practice of employing asses to work in government and to occupy its highest, most influential positions.

A man and a woman who have never met before but are both married to other people find themselves assigned to the same sleeping compartment on a trans-continental train. Initially embarrassed and uneasy over sharing, they are both very tired and fall asleep quickly, he in the upper bunk and she in the lower.

At 1am, the man gently wakes the woman, saying: "I'm sorry to bother you, but would you reach into the closet and get me a second blanket? I'm awfully cold."

She says: "I've a better idea. Just for tonight, let's pretend that we're married."

"Wow! That's a great idea!" he exclaims.

"Good," she replies. "Get your own fucking blanket."

After a moment of contemplative silence, he farts.

This bloke goes to the zoo. While he is standing in front of the gorilla's enclosure, a gust of wind blows some grit into his eye. When he pulls his eyelid down to try to dislodge the particle, the gorilla goes crazy, crashes through the fence and beats the hapless bloke senseless.

When he comes to, the zookeeper is bending over him, and as soon as he is able to talk he explains what has happened. The zookeeper nods sagely and explains that in gorilla language, pulling down your eyelid means "Fuck you".

The explanation doesn't make the gorilla's victim feel any better, and he vows revenge.

So the next day he buys two large knives, two party hats, two party horns, and a large sausage. Putting the sausage in his pants, he hurries to the zoo and over to the gorilla's (hastily repaired and reinforced) enclosure, into which he tosses a hat, a knife and a party horn.

Knowing that apes are natural mimics, he puts on a party hat. The gorilla looks at him, looks at the hat, and puts it on.

Next the bloke picks up his horn and blows it. The gorilla picks up the horn and does the same.

Then the bloke picks up his knife, whips the sausage out of his trouser zip, and slices it neatly in two – causing a number of women nearby to scream in horror.

The gorilla looks at the knife in his cage, looks at his own crotch, then tears down the fence, leans forward and [illegible] pulls down one eyelid.

An Amish woman is in her horse and buggy heading back home when a state trooper pulls her over.

The trooper walks up to the door of the buggy and the woman says: "Good afternoon, young man. What seems to be the problem?"

The trooper says: "Ma'am, I pulled you over because there's a strap around your horse's... genitals. It looks like it's painful, and I wasn't sure if you knew it was there."

The woman replies: "Well, my husband is the one that rigs the horses. As soon as I get home, I'll be sure to tell Jedidiah."

The woman gets home and calls upstairs: "Pa!"

Her husband yells down: "Yes, ma?"

She calls: "A nice young state trooper pulled me over today and told me there was something wrong with the brakes."

M

A man goes to see a film alone and happens to find himself seated near a young boy who has a golden retriever perched on the seat beside him.

The film starts, but the man is increasingly diverted by the young boy's golden retriever. The dog is laughing uproariously during all the funny scenes, gasping and pointing a paw during all the shocking scenes, whooping and hurrahing during all the action scenes, and sobbing gently during all the dramatic scenes.

The man is utterly awestruck by this wondrous animal.

As the credits roll, the man leans over to the boy. "That animal of yours is absolutely amazing!" he says. "He laughed, he cried, he gasped, he cheered! He enjoyed the film on every level that it could possibly be enjoyed. I just can't believe it!"

The boy says: "I'm surprised too! He hated the book."

Two blondes are walking in the woods and come across a set of tracks. One looks at them and cries: "Wow - wolf tracks!"

The other looks down and scoffs. "You're stupid. Those are coyote tracks, not wolf tracks. Look at the size!"

"No, they're not," says the first. "I know wolf tracks when I see them!"

They stand there arguing over the tracks until it starts to get dark. At which point they are struck by a train.

KEEP ON THE GRASS!

Fancy a saloon but want to give the tarmac a swerve? Then at long last there's a car for you!

Everyone loves an off-roader. Sales in the SUV market have boomed beyond all expectation over the past decade, and in a bid to maintain this incredible growth, manufacturers seem to be in a constant search for new takes on the formula.

So from the basic, utilitarian-style Land Rover Defender-style 4x4, the market has exploded to include high-performance and luxury SUVs, curvy coupé SUVs, off-road estates and even supermini and family car-based crossovers. Many of the latter don't even have four-wheel drive – they simply sell on their SUV looks and the promise of an outdoor lifestyle.

> “THE BIG QUESTION IS CAN THE S60 CROSS COUNTRY… CROSS COUNTRY?”

To that list you can now add the high-riding off-road saloon. It sounds like the answer to the question nobody asked, but Volvo has answered it all the same with its all-new S60 Cross Country.

It's fitting that Volvo is behind this car, because the brand first conceived the high-riding four-wheel-drive estate with 1997's V70 Cross Country. Rivals like Audi, Skoda, SEAT and Vauxhall have since followed suit. And in the current climate, where everything chunky and rugged seems to sell like hot cakes, it may not be long before the new S60 Cross Country's formula is copied.

The standard four-door S60 has been jacked up by 65mm, just like the latest V60 Cross Country. And while there are no clever suspension upgrades or fancy, Land Rover-style off-road modes to set the car up for different sorts of terrain, the newcomer leaves you in no doubt about its intentions.

The bodywork is much more chunky than that of the regular S60, thanks to the plastic wheelarch mouldings, wrapped around stylish two-tone 18-inch alloy wheels (19s are optional), as well as the scuff plates along the sides of the car. There are further scuff plates, finished in silver, at the rear – below the chunky, Cross Country-branded bumper and flanked by twin exhausts – and under the nose, which borrows its distinctive grille from Volvo's smaller V40 Cross Country.

So it's surprising that Volvo hasn't continued the rugged theme inside. Climb aboard the Cross Country, and it's identical to a regular S60. Not that this is necessarily a bad thing, as you get some of the most comfortable seats in the business – trimmed in a distinctive shade of leather in one of the few touches exclusive to the new car. Volvo's unique floating centre console is still a talking point inside, too, despite its advancing years, while the materials feel solid. Standard equipment includes the brand's Sensus infotainment system, with its intuitive touchscreen, and as you'd expect from the brand, there's a long list of safety kit, including city safety autonomous braking.

The big question is, though, can the S60 Cross Country… cross country? A lot depends on which version you go for. If you buy the full-fat, four-wheel-drive 188bhp 2.4-litre five-cylinder diesel, the answer is probably yes. The engine under this car's bonnet is showing its age, and could be more refined and efficient (it claims 49.6mpg and 149g/km CO2 emissions). Still, it delivers a decent turn of speed and has the kind of grunt you'll need to tackle rutted tracks or wet grass. Anything more challenging, and you'd need a proper SUV, but caravan owners who prefer remote sites will be watching with interest.

Yet Volvo also sells a front-wheel-drive S60 Cross Country for those who just want to cross town while looking tough. This is powered by the brand's new 2.0-litre four-cylinder diesel, which has exactly the same output, but is hooked up to a six-speed manual box (the 4WD car uses a six-speed auto). It trades off-road ability for running costs, as it claims a far more palatable 60mpg-plus and 113g/km.

Don't expect the sharpest driving experience on the road in either model, as the S60 has always sold on refinement and comfort more than involvement behind the wheel. The steering could do with a bit more

“I DELIVERS A DECENT TURN OF SPEED, AND HAS THE KIND OF GRUNT YOU’LL NEED WHEN TACKLING RUTTED TRACKS OR WET GRASS…”

feel to match the best-driving executive models from the likes of BMW, although body control is impressive in corners and the ride on those high-profile tyres is arguably smoother than ever.

Volvo has conservative sales predictions for its new SUV saloon, barely scraping into three figures a year on these shores. Most buyers are expected to choose the Cross Country version of the V60 estate over this car, and given the heritage of load-lugging Volvos in the UK, and the legion of loyal customers, you can’t blame bosses for being cautious. But there’s something appealing about the rugged S60’s alternative looks, and as it’s sure to prove a smash hit in markets where saloons sell well – China and Russia to name but two – Volvo could be on to a winner.

Last month we were lucky enough to spend the day in a swanky London penthouse (ahem, excuse the language!), all so we could get a set of Holly here in a location that does justice to her natural beauty. The views over the city were spectacular, with boats going up and down the Thames and a clear blue sky shining down on the old city in all its glory. Still, when it came down to it, we really couldn't have given a stuff about any of that, because the views inside the apartment were in a different league altogether, featuring – as they did – the spectacular Holly Gibbons in, well, the altogether herself! We don't know about you, but there's only so much gazing at citiscapes we can take, especially when one of the most stunning girls in the land is playing with herself on the other side of the room. Frankly, we're rather astonished we even noticed the view at all!

HANNAH

Age: 26 **Vital Stats:** 32E-24-35 5'11"
Photographer: Twistys

If anyone's guaranteed to put a spring in your step (not to mention a tentpole in your trousers!) it Hannah Zebedee here – especially when she's all dolled up in saucy scarlet and black lingerie like this!

"Do you like it?" she beams. "It's mine, you see. I only bought it the other day as a special treat for someone, but then he stood me up, so I thought I'd treat you guys to it instead!"

Eh? You'd lined up this stunning outfit for a night of fun with some bloke and he doesn't have the good manners to show up?! That's a) extremely ungallant of him and b) bloody stupid! We've heard there are some real idiots out there, but that proper takes the biscuit!

"Yeah, that's what I thought. He was a really fit guy, and I had all sorts of other treats in store for him as well, but hey, he blew it! Still, his loss is your gain!"

Well, we can only be thankful for that. Er, and how about these other treats…?

CHRISTI

Christi here – or Christiana Cinn, if we're going to be formal about things – boasts a genetic heritage that includes both Italian and Hispanic origins and, it has to be said, it's clearly a bloody good mix, isn't it? So does she speak Italian or Spanish at home, we wondered…

"English, of course!" she grins. "Of course I know a little bit of both, which is just about enough to keep my grandparents happy when I see them, but I can't pretend to be fluent in either, I'm afraid!"

Well, we won't hold that against you – and besides, with such a stunning granddaughter, we'd imagine your grandparents are happy enough as it is!

"Well, yes, I am the apple of their eyes, I guess. I'm not sure how they'd feel about me appearing in *Mayfair* with all my bits and pieces on show, but they've always been very proud of everything I've done."

And why shouldn't they be? And we're very grateful for them for their hand in producing such a wonderful finished article!

QUEST...

Never really got the hang of mornings? Then you're clearly doing it all wrong, as this trio of early risers prove all too clearly!

Name: MONA
Age: 28
From: UXBRIDGE

I've always been at my horniest first thing in the morning, which was great when I was in a relationship, but for the last couple of years I've been single – concentrating on my career – so getting laid earlier in the day has been somewhat more problematic. Plus, being an air hostess I keep strange hours, so it's really quite hard to meet people.

Last month, I was working in first class on a flight back to Britain from Kuwait from midnight, which is the most tedious of flights – and eight hours at that. At least the flight was empty apart from a couple in their fifties, a pair of young newlyweds and a lone businessman saving his expenses by catching a cheapy red-eye instead of the over-priced fare he was billing his company for – and a handsome, stylish guy who caught my eye as soon as he took his seat at the start of the flight.

I had been warned never to fraternize or become overly friendly with passengers, which I never had, but given the aching in my pussy every time I glanced at him I decided that rules were definitely there to be broken.

He was about 30, obviously worked out and the twinkle in his eye when I offered him a drink let me know he was interested in having a little fun. We smiled flirtatiously for a few hours, but I wasn't about to make a move if flirting was all it was.

I knew that a blouse button undone and a raised hemline would confirm my suspicions, so after I had done my duties, making sure the passengers were fed and watered, I sashayed down the aisle and leant provocatively over the gorgeous specimen of man, allowing him a heady whiff of my expensive Italian scent.

"Fancy anything else, sir?" I said, putting on my coyest smile, knowing he desperately wanted to stare at my ample cleavage, now only inches from his face.

"Not right now, thanks," he grinned at me, "But I don't suppose you're available for a drink when we land?"

"I can do better than that, sir," I said stroking my finger delicately down his cheek. "Follow me in a moment or two."

Walking to the rear of the first class cabin without looking back, knowing he would follow, I turned around outside the toilet to find my amorous passenger was already right next to me.

"Good morning, Sir," I whispered and pulled him inside the cubicle by his tie. Like a rabbit in headlights, the poor guy stood motionless as I hoisted up my tight skirt, working it above my stockinged thighs and then my hips, until my bare muff was clearly on view.

"God, you're fucking hot," he breathed in my ear as he kissed my neck and groped my boob roughly. I let out a sigh as my pussy frothed up, throbbing with the anticipation of being shagged.

"You're not so bad yourself," I replied, unzipping his trousers and raising my bare arse onto the sink unit. He fumbled for his cock and dragged it free, rubbing it a couple of times with his eyes fixed on my deep cleavage. Resisting the temptation no longer, he grabbed at the buttons on my blouse, undoing the lot in one movement. As I used my legs to pull the lucky passenger's dick towards its final destination, he pulled up my bra and buried his head in the soft flesh of my boobs, kissing and sucking the warm, tanned flesh.

I had him where I wanted him now, his rigid meat touching the entrance to my slit. Using my hand to guide it in, I pulled him forwards and inhaled sharply as his dick drove up inside my gooey hole. He began to thrust it in and out, biting my tits and groping below me for a feel of arse.

In the confined space of the toilet, the sex seemed dirtier somehow, and his banging of my twat became more and more intense. He managed to get a finger into the crack of my butt and dug it into my tight little bumhole. I moaned and clenched my lithe, nylon-clad limbs tighter around his waist, clamping his pumping shaft deep inside me. The delicious feeling of orgasm began to stir deep within me, but I wanted his squirting seed to be the trigger. Even in the confined space of the cubicle, I managed to gently rotate my hips as he humped me, knowing every square centimetre of his dick was getting its own, very personal, pussy massage.

I could hold back my climax no longer and grabbed his balls, causing my temporary lover to grunt loudly and jettison his spunk straight up inside my throbbing gash. I arched my back as I felt the thick cream fire inside me and my body trembled with pleasure. My thighs began to quiver involuntarily as the first wave of my massive orgasm swept through my muscles. I gasped, panting in time to the heavenly release of tension and clamped the sexy man's body tightly to my crotch with trembling legs.

> "I USED MY LEGS TO PULL HIS DICK TOWARDS ITS FINAL DESTINATION…"

When I finally left the toilet, a few seconds after my companion, the seat belt warning signs lit up as if on cue, and I hurried to straighten my uniform out and get back to work. My secret lover and I exchanged knowing looks for the remaining few hours of our journey and he discreetly handed me his number as he left.

We've spoken on the phone since then and he has another overnight flight booked for next month, which I'll make sure I'm working on. And until then I'll make do with my faithful vibrator for my morning glory!

I am a bit of a party girl, and my girlfriends and I like to party right through the weekends. The problem is that most guys who drink and dance all night need to sleep it off the next morning, and when I party I like to keep it going all through the night and into the next morning.

My name is Annie and I am a twenty-something bank worker who is used to burning the candle at both ends. I often work late and the next morning I am still ready to give 100%. I do this by working hard and playing even harder.

Every so often I meet a guy who is up to me and keeps me happy sexually for a while but mostly it is just a one night stand and first thing in the morning they either just roll over or crawl away somewhere to sleep it off.

> **“I PUSHED MY ARSE BACK AGAINST HIS HARD-ON, AND HE MOANED AS HE RAN HIS TRUNCHEON UP AND DOWN MY BUM CRACK...”**

That was until I met Jake two weeks ago at my cousin’s wedding. Jake not only lived up to all my expectations, but that night, instead of me having to beg for more sex he had me lying on my back gasping for air.

It was a first for me, but the icing on the cake came the next morning when I awoke to feel Jake’s hard cock poking between my arse-cheeks. With an enormous smile on my face I reached behind me, and, grasping his massive schlong in my hand I began playing with it gently, surprised to feel it growing even bigger in my hand.

Jake stroked my hair, pushing it out of the way so he could kiss the back of my neck. His fingers found my nipples and rolling them between thumb and forefinger he teased the engorged teats sending sensations of exquisite delight throbbing through my whole body.

I pushed my arse back against his hard-on, and he moaned as he ran his truncheon up and down my bum crack, coating it with my pussy juice. His fingers pinched my nipples harder, making me squeak a little in surprise but the sharp nip from his fingernails only increased my arousal, and as I wriggled back against him he held his cock against my tight anal rose.

As I say, I just love to be woken in the morning for sex... and here was this great-looking guy in my bed, after a wonderful night of drinking, dancing, and sex - and he wanted more! So I relaxed my bum-hole, and pushing back onto his thick knob I had wonderful memories of the night before when I had sucked his engorged helmet right to the back of my throat.

Name: ANNIE
Age: 25
From: BARNES

I was so turned-on that my pussy juice was all the lubricant Jake required to push through my sphincter, and in my excitement I began rubbing my clit furiously with my fingers, making my pussy juice trickle out and tickle as my anal muscles gripped Jake’s shaft. He waited until I had relaxed them again before pushing his cock further inside my anus, and then he began to move it slowly back and forth.

It was so exciting that I slid a finger inside my pussy and we began moving back and forth and in and out in time with one another. I could feel his thick cock through the thin membrane that separates both my pleasure tunnels and before long I began to feel my orgasm building. With his fingers plucking my nipples, Jake began banging my arse harder and faster until I could hold off no longer, and as I felt my pussy go into spasm I pinched my clitoris and started to come.

My pussy convulsed around my fingers and I felt my anal muscles gripping Jake’s cock tight. Then just when I thought I could climax no longer, Jake began to move his cock in and out more slowly. My pussy clenched hard and my clitoris started to throb so fiercely that my pussy juice began to sprinkle the sheets as Jake slowly eased his cock out of my anal passage.

I lay back gasping as Jake used the en suite bathroom to wash his cock and get ready for the next round. It was the first time ever that I had come anyway near to being sated and I was impressed that Jake had only being limbering up for the next round.

When he returned I took his freshly washed cock into my mouth to restore its hardness, but I need not have worried, because Jake was back up and running in just a few moments, with his big cock standing upright stiffly and ready for action. I loved his masculine swagger and when he rolled me onto my back and climbed onto me in the missionary position I was not surprised.

I didn't even mind when he took both my hands and held them over my head so he could play with my body without interference. It felt very sexy to be held down while he kissed and licked his way down my body, sucking my nipples hard so they peaked, tingling with excitement. Then he moved down to my pussy, separating my sex-swollen labia and licking them with such expertise that I was close to coming without his even touching my clit.

"FINALLY HE CLIMBED ASTRIDE ME, PUSHING MY LEGS WIDE AND MOUNTING ME."

Finally he climbed astride me, pushing my legs wide and mounting me, driving his rigid cock deep inside and filling me with his massive erection. Then he began fucking me for dear life.

I responded in kind, and it was the most satisfactory and memorable sex I have ever had. I raked his back with my nails and he bit my shoulder. Then he shunted into me one last time and my legs wrapped around his waist so I could hang on until he had filled me with his seed.

He was - and still is - the best I have ever had and even if I have to chain him down I am keeping this man!

My now ex-boyfriend once described my living arrangements as a clusterfuck, and he was absolutely correct. When I answered the advert for a vacancy in a seven-roomed house share in Manchester, I noted with relief the demand for 'Professionals only'. Apart from the hospital porter, who spent his nights masturbating furiously while using his computer to chat to ladies in other countries, the house was calm, quiet and restful. Unfortunately, the quiet people moved out and noisier people moved in. The fat girl in the room above me might have brought home a different man to her bed every Thursday, Friday and Saturday night but the creaking bedframe and the squeal of delight was always the same. Or at least it sounded the same at 2:30 AM. Sometimes I wondered whether she might break through the ceiling and end up joining me in my room. But it wasn't the fat girl who joined me in my room, it was Angela.

Angela was the breaking point of the house. By day, she was lovely; sweet as could be. By night, whatever else she was doing, it involved running up and down stairs and screaming a lot. Sometimes it was the police running up and down the stairs. Angela confessed that she had been thrown out by her despairing parents after their home had been repeatedly trashed. Angela's grandmother had been forced to follow suit after her house too had been trashed. It was in paying Angela's rent and housing her with responsible adults that she was hoping to instil some responsibility in her wayward grandchild. The idea backfired. Within weeks, there was only me, the hospital worker and the fat girl left. "Why don't you move out as well?" Clara, a friend at work asked.

"Imagine how boring our chats would become," I joked. But that's where the joke was on me. I wouldn't count myself as a thrill-seeker, and probably wouldn't be studying to be a barrister if I was, but it was exciting to be caught up in the middle of people actually living their lives. To me, it was a real eye-opener that a fat girl could have more satisfying sex in a week than I had had in a lifetime. I didn't know that a man could masturbate deep into the early hours of every morning and still be normal. It was a real mystery to me why a good girl like Angela would choose to be with men who were clearly ruining her life. But to her, it was a mystery as to why I would choose to be with a man who couldn't sexually satisfy me.

Name: JEN
Age: 24
From: MANCHESTER

"Perhaps I could borrow a bloke from her upstairs. They seem to be able to get the job done."

Angela laughed. "Somehow, I don't think those chubby chasers would be interested in a woman like you."

I'd never heard that phrase before. "You can't say that!" I protested, my years of training having given me a highly-tuned political correctness.

"You need to loosen up." I'd always had fantasies about me saving Angela. The reality was that she saved me. It started with a knock on the door at 2:30 on a Friday night. Thanks to my fat friend upstairs, I was already wide awake. "Would you like some company?" Angela asked. "It doesn't look like we'll be getting much sleep anyway," she said, throwing her eyes up to the vibrating ceiling. I let Angela in and was surprised to find that she was already in my single bed by the time I'd locked the door. "Problem?" Angela asked, holding my covers open for me.

> I WAILED AS ANGELA FINGER-FUCKED ME HARDER THAN ANY MAN HAD MANAGED WITH HIS COCK…

"No," I said, frowning. I didn't know what was happening here. "I just…"

"Come on, I won't bite." As soon as I got into bed, Angela rolled on top of me and sank her teeth into the nape of my neck.

"Get… off!" I pushed with all my strength but couldn't shift Angela's teeth away from my neck. She started sucking hard enough to give me a love bite. It was so far up my neck that even my highest collar probably wouldn't hide the mark. "Gerroff!" In desperation, I grabbed a handful of Angela's hair and yanked, hard.

She was smiling devilishly after I'd checked myself for blood. "So, you like to play rough? The good girls always do."

"No, I don't want…"

"Of course you don't." Despite pushing on both shoulders, Angela managed to drop her mouth down. Instead of going for my neck, this time she went for my mouth, catching my bottom lip between her teeth before I had chance to turn away. I didn't dare try the trick with the hair this time, and instead endured something which definitely wasn't a kiss. "Is your lip tingling?" Angela asked, finally breaking off her attack. She sneered down at me, using my hair to hold my head against the pillow. "What about your cunt?"

"What?" I really hadn't been ready for that line of enquiry. It suddenly occurred to me that to a deranged mind, what Angela was doing might just qualify as foreplay. Angela took advantage of my momentary lapse in concentration and straddled me. I found myself pinned under her body.

"Mine is, and I need you to touch it."

"You need me to…"

"Don't be shy. Just do to me what you do to yourself. I know you masturbate, Laura. So don't pretend you don't. My bedroom is next to the bathroom, remember?" I suddenly felt very hot, my body burning with embarrassment. Had Angela been listening to me play with myself? I'd always been so careful – or so I'd thought. Angela's face was buried in my hair. "Funny how you take two candles into the bathroom but only ever burn one. You do use it, though, don't you?" I groaned inwardly but she knew by my body's reaction that she'd caught me. "Perhaps you'll let me fuck you with the candle sometime? I could lick your clit while it stretches you wide." This time I did groan. I couldn't help it.

This wild child with the potty mouth had invaded the most private parts of me. Not just my bed but the things which I had done my utmost to keep secret. And now she was exploring fantasies that I barely admitted even to myself. "You want me to lick you." I didn't dare open my eyes but could feel Angela looking down at me. I let my legs fall open a little wider. "Don't be so boring. Tell me what you want."

"I want you to lick me," I said finally. Angela licked the exact spot on my neck which she had bitten. "Not there. Between my legs." I knew what would happen, and sure enough when she moved down my body, Angela's tongue traced along my inner thigh. "Not there."

"Then where, legal beagle? Be precise."

"My pussy. My clit. I want you to lick them." A second later, I was begging Angela to stop. I was so sensitive that every touch of her lips and tongue felt like a needle piercing my flesh. It was agony. And ecstasy. "Oh fuck! I'm going to come," I mumbled to myself and the world, utterly shocked by how quickly the orgasm was swelling up inside me. Angela pushed two or three fingers into my vagina and they became the focal point of my tightening muscles, muscles which began to pulse spasmodically. But that was just the start. I wailed as Angela finger-fucked me harder than any man had ever managed with his cock – and there was the added advantage of her hungry mouth lapping at my clitoris. I came again and again and again, only stopping when I strained something in my groin and it became too painful to carry on.

"Now," Angela said, draping her naked body over mine. "Show me what you do with your fingers." This time I wasn't so shy. I rubbed Angela's clit and fingered her hot and slippery hole until she stopped screaming and started snoring. Sleep proved impossible after such a wild encounter and I was a mess by the time I got to work the next morning.

"Do yourself a favour," Clara said, handing me the local paper. "Find somewhere, anywhere, and get the hell out of that house." I put the paper down, sipped my coffee and gave her a tired smile. "Oh my God. It was you. You were up shagging all night. Who was he?" Clara leant close in for all the juicy details.

I took my time. "You're assuming it was a 'he'," I said, using my best legal tone. I twisted my head and pulled my collar down to expose the bruise on my neck. "And in this case, you are very much mistaken."

Some nailed-on classics this month, as well as a couple of nicely intriguing new productions to tempt you with. Just make sure you're not smoking anything too wacky when you sit down to watch the odder ones, alright?

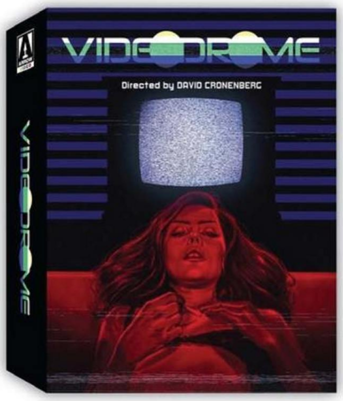
VIDEODROME

David Cronenberg has been ploughing his own distinctive furrow through Tinsletown from the mid-60s right up to the present day, and it's rarely hard to recognise his work; a rather unhealthy preoccupation with the human body and ways it can become deformed and corrupted seems to be a pretty major theme, and, following schlocky but enduringly watchable mid-70s horrors like Shivers and Rabid, he really hit his straps in the early 80s – first with Scanners, and then with this, his most ambitious project to date.



Family Guy favourite James Woods plays Max Renn, a ruthless TV executive who becomes aware of an obscure satellite channel that appears to be showing either genuine or staged snuff flicks. Intrigued, he decided that it's just the sort of thing his own channel ought to be airing (rather a poor decision, as it turns out – and not just on ethical grounds…).

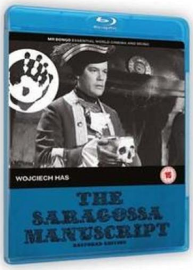
Not unsurprisingly, his channel comes under fire from various fronts for airing such horrendous content, but Renn sticks to his guns, most notable in an interview with a sadomasochistic psychiatrist (we all know one of those, don't we?) played by Blondie herself, Debbie Harry.

> "As you'd expect with Cronenberg, things soon go from weird to, well, ultra-weird…"
> **The Ed**

As you'd expect with Cronenberg, things soon go from weird to, well, ultra-weird, as Renn's relationship with TV leads to all sorts of bizarre hallucinations and nasty body-shock developments. It's all thoroughly unsettling, but a dazzling achievement in its own way, and this reissue from Arrow Films more than does it justice – 4 discs (Blu-ray, DVD, plus assorted documentaries and some early short films). Top notch stuff.

SARAGOSSA / HOURGLASS

WOJCIECH HAS
SANATORIUM POD KLEPSYDRA
THE HOURGLASS SANATORIUM



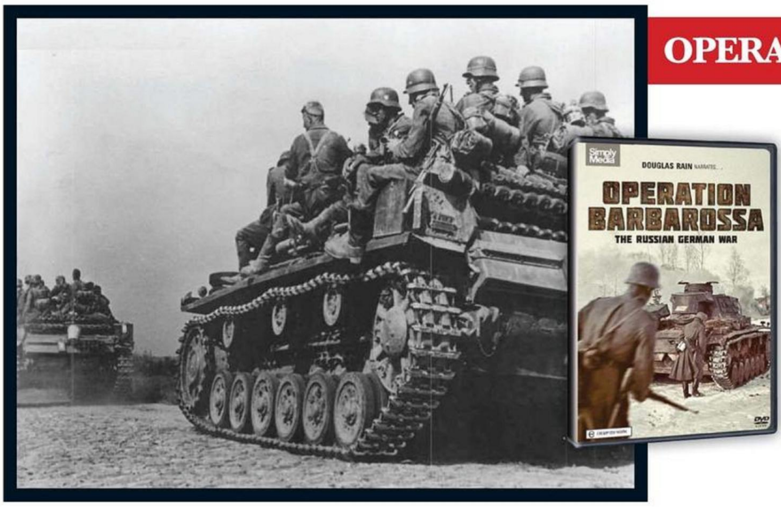
Well, if you can get your head round the weirdness of Videodrome, perhaps you'd care to step up to the big league with this brace of films from acclaimed Polish director Wojciech Has! The first – *The Saragossa Manuscript*, dates back to 1965 and is, of course, based on that other prime slice of Polish oddness, Jan Potocki's 1815 novel *The Manuscript Found at Saragossa*. Set in Spain during the Napoleonic Wars, it's the tale of a young soldier who discovers a manuscript written by his grandfather which weaves plot after plot together in a dizzying fashion, with a cavalcade of ghosts, Moorish princesses, gypsies, bandits and esoteric Qabalists passing in and out of the plot in anything but a linear fashion. It's a staggering book, and Has pulls out all the stops to do it justice while staying true to the spirit of the original.

Meanwhile *The Hourglass Sanitorium* is, if possible, even more deranged! Jan Nowicki stars as Jozef, a young man who, having disembarked a train that clearly isn't a train, goes to visit his dead/dying/still alive father in a baffling sanitarium where the doctor claims to have been able to hold back time. There follows all manner of bizarre encounters and scenes, as Jozef is lead to reflect on moments from his and his father's lives. Astonishing from start to finish, it looks absolutely stunning in its newly restored state.

THE FALLING

We've seen plenty of films set in a girls' school over the years, but this is something a bit out of the ordinary. The year is 1969 (a year that, in itself represents something of an end to an age of innocence, an issue which bedevils the girls at the school not a little), and Lydia (Maisie Watson from *Game of Thrones* fame, and Florence Pugh) are best friends… but something's amiss and, as their relationship is put under various pressures Lydia, followed by several others, becomes subject to fainting fits. Is there something other-worldly going on here? The all too creepy atmosphere conjured up by the music and the cinematography leave you in little doubt. A cracking British feature that definitely merits a watch or two!

THE FALLING
'A CLASSIC'
'MASTERFUL'
'A FANTASTICAL HORROR'



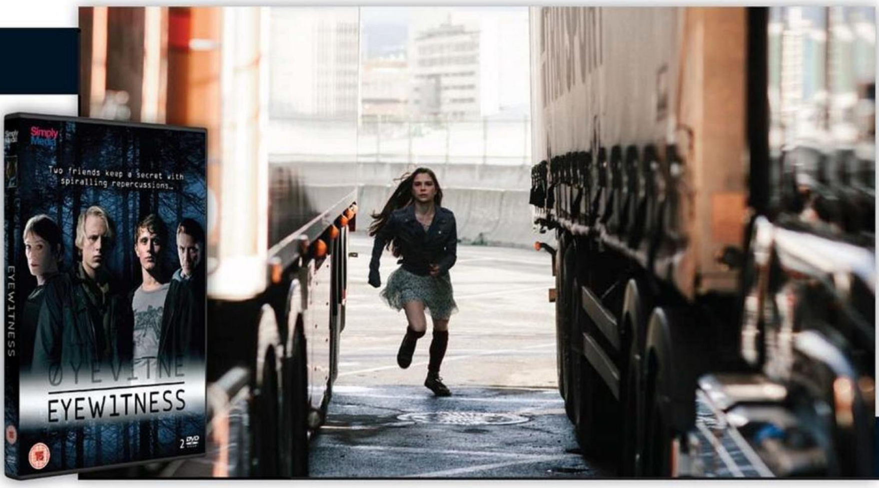
OPERATION BARBAROSSA

Whichever way you look at it, the Second World War was a pretty grim affair which easily marks a particularly bloody nadir in human history, but while here in Blighty we like to romantically imagine that the war was won by plucky pipe-smoking coves in Spitfires, in other theatres of the war there's no getting away from just how horrific things were – most notably, of course, on the Eastern Front between Germany and Russia. When you've got two evil dictatorships who couldn't give a toss about how many of their own soldiers (and, frequently, civilians) they sacrifice in their ideologically skewed war the carnage quickly becomes unimaginable. This Canadian TV series from 1995 features loads of previously unseen (in the west) footage and is powerfully sobering stuff, the like of which we'll hopefully never see again…

EYEWITNESS

Getting withdrawal symptoms because you've gone so long without a goodly slice of Scandi-noir? Yes, us too, so it was a relief when this 2-disc set pitched up the other day!

Axel Bøyum and Odin Waage (don't Norwegians have great names?) play a couple of young lads who, well, rather fancy each other, but while they're hanging out in their secret hideaway they're unlucky enough to witness a gangland shoot-out and even more unlucky to be spotted in its aftermath. Well, you won't need telling that what follows sees our young heroes desperately fighting for their lives as unholy forces close in on them, with gangs and corrupt officials all gunning for them. 360 very entertaining minutes indeed!



Two friends keep a secret with spiralling repercussions…

AROUND THE WORLD WITH ORSON WELLES

There can't have been many more unique screen presences than Orson Welles – and while for a lot of people he'll always be defined by *Citizen Kane* and his turn in *The Third Man*, there was plenty more to the man than that! Amidst a career of curios, one especially curious highlight is this series of six TV programmes he did for ITV in the 60s, in which he took a cameraman and visited certain parts of Europe that took his fancy. He as clearly pretty fond of the Basque country, devoting two episodes to it, but there's also idiosyncratic looks at London, Madrid (a bullfight, naturally) and a return to Vienna, where he revisits some of the locations used in *The Third Man*. Beats *Sue Perkins Up The Mekong*!

MAYFAIR Movies

Lots of professions this month - starting with doctors and nurses, going on to lawyers(!) and winding up with more rustic matters like farm girls and stable lads. Well, it's always important for these performers to have something to fall back on...

LET'S PLAY DOCTOR

Brazzers

CAST: Holly Halston, Rachel Starr, Keiran Lee, Phoenix Marie, Dani Daniels, Destiny Dixon, Siri, Kendra Lust, Luna Star.

"Quick nurse, the screens!" Cue Sid James's dirty laugh and so forth. I'm sorry, but come on now: any man who wishes they were in hospital – whether lady doctors and female surgeons want to have sex with him or not – is clearly a bloody lunatic.

That I hold this view is, of course, a matter of public record, and I refer those who may have missed the televised debate I led in Parliament to Hansard. While I can appreciate why "naughty nurses" might be of solace in a hospice once the NHS has determined you're about to kick the bucket, to my way of thinking there's no fun to be had in an institution where beautiful bimbos are either cutting you open to toy sensually with your internal organs or else bouncing on your knob while you're hooked up to a life-glug in Intensive Care.

But perhaps you're one of those don't fear hospitalisation. In that case you are certain to enjoy all six fabulous sex scenes on this worthy DVD which kicks off Brazzers' latest series, following up on their Doctors Adventures line.

Mr and Mrs Lust's daughter Kendra and the Starr family's eldest, Rachel, ensure their family names will live long in the memory on account of their featuring in the flick's standout scene, in which the pair try out an experimental treatment for an unspecified ailment by smothering a male patient with their tits, each breast deployed being about the size of an adult human head. Long-term efficacy isn't really explored, but they certainly seem to perk him up a good bit in the short term! Highly recommended for those who don't view all things hospital-related with a pathological horror – even it it's tit-tastic scruff.

"Flesh," I thought. Great, I thought – at last I get to review a zombie movie instead of all this bloody porn! But no. A kinky eight episode series rolled into one, with nine hardcore sex scenes, this is another "couples porn" offering: a dirty DVD that you're supposed to watch with your wife, girlfriend, mistress, escort or gimp – and good luck trying that – especially if you get them all together at once for a viewing.

From nine to five each weekday Digital Playground's gorgeous brunette contract star Eva Lovia is a working professional at a law firm… (yawn!) but by night she's "Number 4" – discovering and indulging new pleasures in the realms of submission, (light to mild) sadism and (gentle to fairly horrendous) masochism with the firm's business partner, a lightly-bearded bloke with dauber eyes.

Is this tale "informed by" *Two-Hundred Shades Of Grey* (or however many they're up to now?) by any chance? Well yes, of course it is. When this guy sends Eva to get some slinky new duds for him to take off, she finds his credit limit in the stores is "one hundred K". Phwoah – there's nothing guaranteed to get a girl moistening at the gusset than a healthy bank balance, is there?

As our extra-freckly and be-pubed heroine falls further under the wealthy bloke's spell she increasingly does whatever he commands until she is a mere plaything, bound and suspended from the ceiling, for the "use" of – apparently – everybody. Well, everybody but me. Small wonder I am so bitter. And did I mention all the other tasty strumpets on show as well? Quite a cavalcade of cooze here!

All right, all right, just simmer down. Yes it's a flick about farmyard fun, but before everyone goes crazy and assumes that lonely agriculturists in remote locations are at it again, let me assure you this is not the case... even though those who get upset about such things in these socially enlightened times might be regarded as somewhat narrow-minded. Sheep need love too, after all.

A country romp featuring what's billed as "farmer's daughter porn", cowboy hats, cut-off denim shorts and string bikinis, you'll be delighted to learn, are the order of the day - and that's just the blokes. (Only kidding. Simmer down I said.)

Beautiful girls in the briefest of yahoo attire enjoy rolls in the hay and get banged in the barn – some, like squirty AJ Applegate, requiring a goodly amount of straw wedged underneath her anyway by reason of its absorbency.

Scarlet Red (who's blonde, incidentally, making a mockery of her tautological stage name) enjoys an especially punishing penetration in a straw-strewn byre and winds up with so much hay in her hair she resembles Worzel Gummidge (assuming he ever ended an episode covered in sperm, which, now I come to think of it, he almost certainly didn't), while delectable Riley Steele feasts on brunette beauty Katrina Jade's magnificent mound in a lusty lesbian tryst, and three blokes meet Miley May's mouth at waist height and get savagely sucked off in a sty (surely every madman's secret fantasy). Thankfully no poor pigs were obliged to look upon the saucy spectacle.

This DVD certainly brings home the bacon, no pun intended.

CFNM
CLOTHED FEMALE • NUDE MALE
VOL.2

CAST: Monique Alexander, Ashley Fires, Remy Lacroix, Alektra Blue, Gia DiMarco, Emma Leigh, Bonnie Rotten, Ava Dalush, Jasmine Jae, Alena Croft, Victoria Summers.

★★★★☆

CFNM 2 is not a satellite news channel. If you treat it as such you will soon find yourself even more poorly-informed about the world around you than if you watched *Fox News*.

CFNM stands for "Clothed Female /Nude Male", so expect to see a succession of naked blokes caught "perving" in some way or other whining "No! Stop it!" as laughing, scornful women tug them off – ostensibly to teach them a lesson. Perhaps if I'd been taught such a lesson many moons ago I wouldn't have turned out as I have…

The message of this DVD – which features several British performers, by the by – appears to be that if you wander round nude trying to see into women's dressing rooms and the like there is just no getting away from it: you are going to be humiliated by fully-clothed persons and forced to ejaculate against your will. Your sexy tormentors may speak roughly to you; there may even be physical violence: to wit, you might be gently shoved, or your rump could be slapped. You never know.

Happily, however, you don't need to be a gimp to enjoy the content here, as some of the scenes involve straight sex. The best of these features two snobby lady equestrians – Ava Dalush and Victoria Summers – getting screwed by a buck-naked "stable lad" through holes cut in the crotch of their riding britches. The trio end up rolling in the hay… which is pretty much where we came in with the *Farmer Girls* flick.

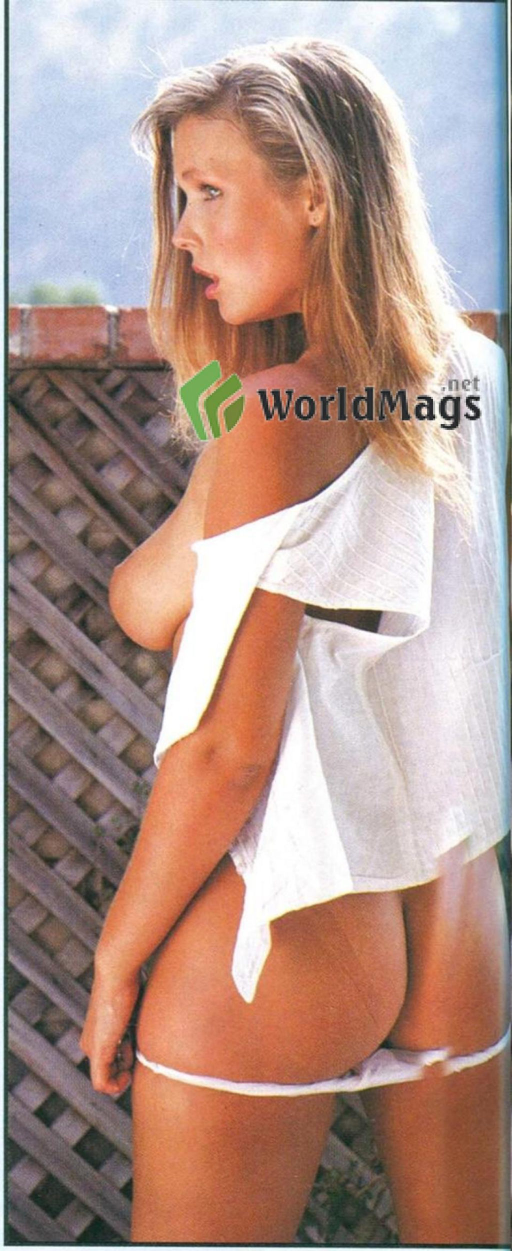
Pamela

PHOTOGRAPHED BY ROY BREWINGTON



You can tell a lot about a girl whose first statement is 'I quite fancy being called the Bude Nude' — followed by a burst of infectious laughter. Twenty-one-year-old, Cornish-born Pamela Hayle boasts a sense of humour as ample as her 38D-26-38 inch figure — and she insists there's a connection. 'I've been what you might call ''lush'' ever since I was at school, and I've always had a lot of attention. That makes you either dreadfully self-conscious, or the complete opposite. Guess how I ended up!' She still chuckles about the time she went topless sunbathing with girlfriends on a beach near Bude. 'They went for three days and no one talked to them. The day I took my top off three groups of lads sat down near us in the first hour! It didn't make me very popular, with my girlfriends. They didn't ask me back again!'

MAYFAIR Classic

Well, we can only envy the good folk of Bude if 26 years ago or so they were ever treated to an eyeful of the deliciously curvy Pamela here! And what a happy coincidence that 'Bude' and 'nude' should rhyme so well! Imagine if she liked to get her lovely body out in Budleigh Salterton or somewhere?

If anyone working in a building society in the West Country knows of Pamela's whereabouts these days, please say 'Hi!' from us and wish her all the best – she certainly deserves her place in the pantheon of *Mayfair* lovelies!

Unsurprisingly Pamela is not encouraged to be quite so open at the building society office where she works as a cashier — 'Let's say ''Somewhere in the West Country'',' she smiles. 'They're very good, though I've promised the manager I'll never wear a tight sweater at work!'

COMEBACK KINGS

Nicolas Cage

Ghost Rider. Knowing. National Treasure. National Treasure 2. The Wicker Man. Oh dear.

The above are just five of the films that Nicolas Cage would very probably like to forget. Once a kind of weird, indie superstar thanks to out-there performances in the likes of *Raising Arizona* and *Wild at Heart*, Cage inexplicably cashed it all in after a deserved Best Actor Oscar for 1995's *Leaving Las Vegas*.

Critics are agreed that the Nicolas Cage from that point forward was to be a ghost of his former self, making one so-so appearance after another in muted action films, with only the occasional minor success (*Adaptation, Matchstick Men*) reminding us he used to be an A-list actor.

Then, after years of mediocrity came the welcome *Bad Lieutenant: Port of Call New Orleans* in late 2009 and *Kick-Ass* in early 2010, a pair of films that rehabilitated Cage by reminding audiences and critics alike of two things: namely that Cage is insane, and also that he is exciting to watch when on-form. As *Kick-Ass*'s Adam West-aping wannabe superhero and Bad Lieutenant's drug-popping cop, Cage put the dire *Bangkok Dangerous* to the backs of fans' minds, where it very definitely belongs.

He has been characteristically uneven since, but directors appear to have taken notice of the actor's newfound drive. Definitely back on the upswing, Cage has been lauded for his last film *The Frozen Ground*, which told the true story of a detective on the trail of one of America's most vicious killers, quiet Anchorage baker and family man Robert Hanson (John Cusack), who has a sideline in viscious rape and murder.

As if this wasn't proof that Cage is back, some critics are saying his performance in the upcoming movie *Joe* is his best in many years.

In this MONTH

54 AD: Roman Emperor Claudius, or as he is better known to British television viewers “Clavdivs”, a fictional character cooked up by novelist Robert Graves and immortalised by a young Derek Jacobi in the 1970s drama series I CLAVDIVS, dies after eating mushrooms poisoned by his wife, the equally made-up Empress Agrippina.

1899: The Bore War begins in South Africa between the British Empire and the crashing Bores of the Transvaal and Orange Free State, who force the British to endure more than two years of soul-destroying tedium.

1918: During World War I in the Argonne Forest in France, US Sergeant Alvin C York single-handedly takes out an entire German machine-gun battalion, killing over a dozen and capturing 132. He is later awarded the Medal of Honour, the French Croix de Guerre, a superhero position with Marvel Comics and the Oscar for Best Actor In An Action Thriller.

1940: John Lennon (shot to death outside New York's Dakota Hotel in 1980) is born in Liverpool. Together with Davy Jones, Mickey Dolenz and Mike Nesmith he forms The Monkees, an influential rock group which captivates audiences first in England and Germany, and later in America and throughout the world. (Jones will later change his name to David Bowie to avoid confusion.)

1943: A badly thumped Italy changes sides and declares war on its hitherto big mate Germany - in this case after the downfall of Mussolini and his Fascist government. Like them on Fascbook.

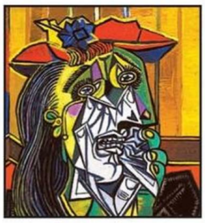
Etiquette for the BEWILDERED

An A-Z of terms you really need to know nowadays...

Doing a Picasso is when you have taken so many drugs (Disprin and the like, presumably) your feel as though your mouth is at the other side of your face as your eyes. In fishing communities it is probably called “Doing a halibut”.

After you have done a Picasso you may need to visit the lavatory, most likely in a hurry, and there you may meet what is nowadays called a cubicle brother - a person who enters and occupies a public lavvy cubicle immediately adjacent to your cubicle despite the fact that there are other cubicles available… and really cramps your style.



D IS FOR “DO A PICASSO”

NEGLECTED FILM GEMS

Despite the hyped-up drivel that the international film industry pumps out like the run-off from some sort of enormous metaphysical sewage treatment plant, every now and then a genuinely great film emerges, only to be forgotten with the passage of time and the fact that many of them didn't shine at the box office on their release. Let's remedy that...

BRAINSTORM (1983)

Brainstorm is a sci-fi film directed by Douglas Trumbull and starring Christopher Walken, Natalie Wood, Louise Fletcher and Cliff Robertson. It was Natalie Wood's final film appearance, as she died during production.

The movie follows a team of scientists who develop a brain/computer interface which enables sensations to be recorded from a person's brain and converted to tape so that others may experience them. The team includes estranged husband and wife Michael Brace (Walken) and Karen Brace (Wood), as well as Michael's colleague Dr Lillian Reynolds (Fletcher).

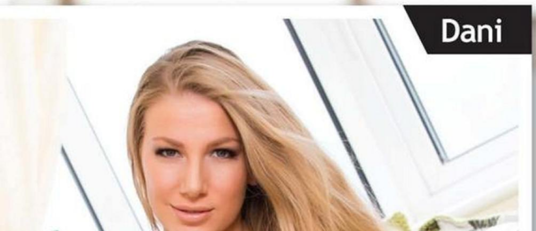
At CEO Alex Terson's instruction, the team demonstrates the device to investors in order to gain financing. Meanwhile one team member, Gordo Forbes, has sex while wearing the recorder, and shares the tape with Hal Abramson. Hal splices one section of the tape into a continuous orgasm, which results in sensory overload... Tensions increase as the possibilities for abuse (and self-abuse!) become clear.

Lillian is pressured by project backers to admit a former colleague, Landon Marks, whom she sees as part of the military-industrial complex and fights their plan to have the invention altered for military use. That night Lillian suffers a heart attack while working alone, and realising that she will die, records her experience.

Michael decides to experience Lillian's recording, but nearly dies when the playback causes his body to simulate Lillian's physical sensations. Eventually he modifies his headset to censor the physical output and replays Lillian's tape up to and beyond her death...

The film was scuttled by Natalie Wood's drowning death during a production break in November 1981. By this time she had already completed her major scenes but due to mounting financial problems MGM took her death as an opportunity to shut down the production. Lloyd's of London provided over $5 million for Trumbull to complete the film, using a body double for Wood's remaining scenes. The film carries the dedication credit “To Natalie”.

Coming Next Month



There's no getting away from the fact now, folks – summer's all done and dusted, and autumn's here! Still, while the trees and stuff might be getting all droopy and miserable now, there's really no need for our readers to end up the same way, because our babes are guaranteed to keep the sap rising month in and month out! Just to prove the point, we've got the delectable Kara and (a rather overdue return from) Dani lined up for next month!
